

Flight Attempt Guidance

Mobility, Advanced™

- Flight Attempts

- Limit

- Teams will have a maximum of seven (7) flight attempts during SAE Aero Design East

- When

- Attempts can be used across the designated flight times on both Saturday and Sunday

- How

- A flight attempt is officially used when a team speaks with the Pit Boss and proceeds into the “On-Deck” area with their flight card.
 - Even if wheels do not leave the ground, that attempt is considered used.
